BME & PKU Proposed Program of Study (Fall 2017 entry)

(Only typed forms are acceptable)

Name: ____________________  GTID: ____________________  □ BME  □ PKU

Date: ____________________  □ Original  □ Revised

This proposed Program of Study must be submitted (fully completed, signed, scanned as a .pdf and sent via e-mail) to gradstudies@bme.gatech.edu by November 1 of the first semester of the program. The Program of Study is subject to approval by the BME Graduate Committee, who will evaluate the proposed coursework with regard to depth, breadth, relevance to research objectives, and academic rigor of the courses. A revised Program of Study should highlight the specific change(s) from the original plan.

Program requirements dictate 21 hours of engineering and bioscience fundamentals. Please consult the BME Graduate Studies web pages for guidance on appropriate courses for meeting this requirement within your area of study. The minor requirement is typically met with nine credit hours of courses that exist outside the BME Major and will strengthen or enhance current studies and research. To offer students flexibility, courses in the Engineering/Bioscience Fundamentals category can typically be used to fulfill the minor requirement. The student’s advisor or committee must approve the selection of a minor. For more information regarding minor requirements, please visit www.catalog.gatech.edu/students.grad.doctoral/minor.php.
